The Copyright to this material is granted by the One who has the authority over it -- "The word which ye hear is not Mine, but the Father's which sent Me." -- John 14:24. The material on this CD-ROM is given freely and is not to be sold in any shape or format. "Folio" licensing agreements prevent the copying of this CD-ROM to another CD-ROM. All "Shepherd's Rod" material may be copied to an editor and used freely.

Some formatting changes have been made that do not make this an exact duplicate of the original writings. Only minor formatting was done for convenience, (such as - hyphenated words removed and headings moved to one line), but all of the writings are original with no changes made. Scripture indexes were not added, as you can search on any word(s). Please inform us of any corrections and we will gladly make them.

This CD-ROM is offered without price or obligation.
